

2017-2018 Advance Payments Program Application

Greenhouse in Nova Scotia, New Brunswick, Newfoundland and Labrador & PEI

To apply for a 2017-2018 APP account please complete the forms in this document as well as the **form packet for farm set-up (Corporation/Partnership/Individual)** which can be found on our website at www.agricommodity.ca.

Please read and keep this front page as a “cheat sheet” of important information regarding the 2017-2018 APP program:

Greenhouse – Potted Plants, Cut Flowers and Vegetables

- Advances are available **November 1, 2016 – October 31, 2017**.
- **AgriStability** is used as security.
- Advances **cannot exceed \$400,000.00, your full production calculation** (# of plants X advance rate), **or 100% of your AgriStability Reference Margin**, whichever is less
 - If your AgriStability Reference Margin is lower than your production calculation please call. There is an additional calculation we can do that may increase your margin.
- **Repayments, and proof of sale, are due** within 30 calendar days of receipt of payment or 60 calendar days from delivery to buyer, whichever is earlier, at the rate of advance (# of tonnes X advance rate).
 - **HOWEVER**, to aide our Greenhouse and Nursery producers we ask you to submit up to **6 post-dated cheques** for repayment at the time of application. These cheques will serve as repayment as well as proof of sale, as long as no changes to the repayment schedule are made.
 - Keeping the above repayment timeline in mind please set these cheques dates, and amounts, to align with your traditional marketing amounts and times (i.e. If your busiest month of sales is June then your biggest repayment cheque should be dated August 1st at the latest.).
 - If you need help setting up the repayment schedule please let us know.
- Full loan **repayment**, including interest, must be received no later than **April 30, 2018**.
- **Penalties** will be applied for late payments, payments without proof of sale or other violations to the program. Please contact ACMA regarding any changes to your operation, such as inventory changes, to avoid these penalties.
- **Please watch your email** (this will be used first if provided) **or fax, for reminders of these deadlines**.

If you have any questions on these, or any of our forms, please contact our office at 902-895-0581. We can help you over the phone or we can set up a time for you to come in so we can help you complete the application!

Pages 2-13 are the detailed plant listings, both by group and alphabetically. Please go through these lists to find the products that apply to you so you are able to fill out the first form, starting on page 14. We do not need the list of your products, just the quantity that is in each group.

****Pages 23 & 24 are only required if an entity (i.e. a bank) holds your crop as security on a loan. We will run a search and let you know if this is necessary if you are unsure.**
